

THE SPRING FAMILY INVITES YOU TO A COMMUNITY MEETING

FREE EDWIN ESPINAL AND ALL POLITICAL PRISONERS IN HONDURAS

The Spring Family in Honduras

Edwin Espinal and Karen Spring

Welcome from Springwater Mayor Bill French
Report from the House of Commons –
MPs Alex Nuttall and Bruce Stanton

Sunday April 8, 2018 2:00pm
Elmvale Community Hall
33 Queen Street
Elmvale ON

We are working to free Edwin and other political prisoners arrested and jailed on false pretenses after a stolen election and mass protests. Foreign Affairs Minister Chrystia Freeland recognized the fraudulent elected government but called on it to "protect human rights and ensure those responsible for violations are held responsible." The opposite has happened. Our rural community calls on our government to take a stand and put pressure on the Honduran government.
